## **ATTACHMENT A**

### **Property To Be Searched**

This warrant is directed to Google LLC and applies to:

- (1) Location History data, sourced from information including GPS data and information about visible wi-fi points and Bluetooth beacons transmitted from devices to Google, reflecting devices that Google calculated were or could have been (as indicated by margin of error, *i.e.*, “maps display radius”) located within the geographical region bounded by the latitudinal and longitudinal coordinates, dates, and times below (“Initial Search Parameters”); and
- (2) identifying information for Google Accounts associated with the responsive Location History data.

#### **Initial Search Parameters**

- Date: August 24, 2020
- Time Period: 12:30 AM to 12:55 AM (CST)
- Target Location: Geographical area identified as:  
42.584020, -87.823760; 42.583678, -87.823688; 42.583727, -87.823412;  
42.584020, -87.823760

Also approximately depicted using the following image:

Google is further ordered to disclose the above information to the Government within 10 days of the issuance of this warrant.

## **ATTACHMENT B**

### **Particular Items to Be Seized**

#### **I. Information to be disclosed by Google**

The information described in Attachment A, via the following process:

1. Google shall query location history data based on the Initial Search Parameters specified in Attachment A. For each location point recorded within the Initial Search Parameters, and for each location point recorded outside the Initial Search Parameters where the margin of error (*i.e.*, “maps display radius”) would permit the device to be located within the Initial Search Parameters, Google shall produce to the government information specifying the corresponding unique device ID, timestamp, location coordinates, display radius, and data source, if available (the “Device List”).

2. The government shall review the Device List and identify to Google the devices about which it seeks to obtain Google account identifier and basic subscriber information. The government may, at its discretion, identify a subset of the devices.

3. Google shall disclose to the government identifying information, as defined in 18 U.S.C. § 2703(c)(2), for the Google Accounts associated with each device ID appearing on the Device List about which the government inquires.

#### **II. Information to Be Seized**

All information described above in Section I that constitutes evidence of violations of 18 U.S.C. § 844(i) (arson), involving unknown persons.
